

Defiance® Ideal Application

The Custom Defiance is DonJoy's hallmark knee brace. Combining the ultimate in technology, materials and design, this lightweight brace provides durable support for moderate to severe ACL, PCL, MCL and LCL instabilities. Plus, the low-profile design fits comfortably underneath clothing and sports uniforms, including baseball and football. As the strongest of DonJoy's functional braces, the custom, carbon composite Defiance is recommended for high collision sports, while its featherweight materials also make it the brace of choice for jumping sports, when every ounce counts. Available in three lengths; standard, short and standard thigh with short calf.

Features and Benefits

- ACL/PCL versions with patented 4-point dynamic leverage system
- Weighs approximately 18 ounces
- Low-profile design
- Custom made to individual patient measurements
